

MOHAMMEDAHMED HUSSAIN AHMED ALI

Lead Video Editor | Visual Documentarian | Solo Executive

Kampala, Uganda | +256 772 761 620 | Date of Birth: 19-8-2006

PROFESSIONAL SUMMARY

Results-driven Solo Executive and Lead Video Editor with a commanding mastery of the full creative pipeline — from concept architecture to final delivery — executed independently with precision. Specialises in cinematic colour grading, advanced post-production workflows, and compelling visual storytelling that merges logical execution with cinematic aesthetics. Brings a documentary eye and a designer's sensibility to every project, crafting immersive visual narratives and cohesive brand identities that resonate across NGO, community, and commercial contexts. Proven ability to lead media operations, build visual identities from scratch, and drive high-impact digital strategies — all as a single, end-to-end creative force.

PROFESSIONAL EXPERIENCE

Lead Video Editor (Freelance & Contract) | Independent | Oct 2023 – Present

- Architect and execute end-to-end post-production workflows independently, managing ingestion, editing, colour grading, and final export without delegation.
- Craft dynamic, rhythmically precise cuts that elevate narrative pacing and sustain viewer engagement across documentary, commercial, and advocacy formats.
- Apply advanced cinematic colour grading using LUTs, node-based correction, and scene-by-scene calibration to deliver broadcast-quality visuals.
- Deliver polished final cuts across social media, event screenings, and digital campaigns — consistently meeting tight turnarounds as a solo operator.

Photographer (Freelance) | Independent | 2022 – Present

- Capture raw, unguarded emotion through documentary photography, producing authentic visual records of human experiences in community and advocacy settings.
- Lead event photography coverage — from pre-event setup to post-production editing — ensuring comprehensive and high-quality image libraries for clients.
- Apply professional colour correction and retouching in Lightroom and Photoshop to produce consistent, publication-ready photo sets.
- Build cohesive visual narratives across photo series that amplify organisational storytelling and campaign messaging.

Visual & Graphic Designer (Independent Projects) | Independent | 2024 – Present

- Conceptualise and execute minimalist, stoic brand identities — including logos, typography systems, and colour palettes — for organisations and initiatives.
- Design editorial layouts, promotional posters, and digital assets that balance aesthetic restraint with communicative clarity.
- Develop comprehensive brand guidelines ensuring visual consistency across all touchpoints from print to social media.
- Collaborate directly with clients to translate their values and mission into distinctive, enduring visual identities.

Media Officer & Visual Documentarian | NGOs & Initiatives | 2025 – Present

Sawtuhun Feminist Academic Center | Uns Organization | Awareness Youth Community

- Lead all media operations across three organisations simultaneously, functioning as the sole creative and technical authority.
- Direct and produce short documentary films capturing community initiatives, advocacy events, and human rights programming.
- Design and implement complete visual identities for each organisation — ensuring brand coherence across digital platforms, print materials, and event assets.

- Build and maintain media archives, producing documentation packages that serve institutional memory and external reporting requirements.

Visual Identity Lead | Ghaith Al-Khair Initiative | Jan 2026

- Architected the complete visual identity for the Ghaith Al-Khair charitable initiative entirely from scratch, establishing the brand's aesthetic language and tone.
- Designed a full suite of branded assets including banners, social media templates, and event signage aligned with the initiative's humanitarian mission.
- Produced comprehensive digital documentation packages capturing the initiative's activities, impact, and visual narrative for stakeholder reporting.
- Delivered the entire identity system independently within project timelines, demonstrating solo executive capacity at organisational scale.

EDUCATION & CERTIFICATIONS

BSc in Mechanical Engineering — Year 1

Sudan University of Science and Technology

Capacity Building Graduate | Kepler Iteme Program | Jun 2026

- Developed advanced project management frameworks bridging logical engineering methodologies with creative digital execution, enabling structured, outcome-driven production workflows.
